# Sun and Moon Days

August 16-23, 2017

## Golden Pond Planetarium and Observatory

### Family Fun Days

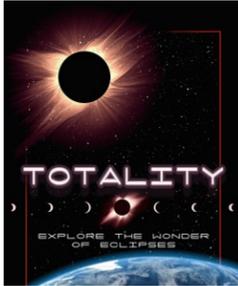

Sat, Aug 19 and Sun, Aug 20 | 10am-4pm

Enjoy a weekend of family fun activities involving our sun. Make a sun dial, paint sun catchers, learn about eye safety, make a UV bracelet or go on a scavenger hunt. *Free*

### TOTALITY Planetarium Show

Aug 16-23 | 11am and 2pm

From lunar to total solar eclipses TOTALITY explains how eclipses occur and what to expect when they happen. See eclipses of the past and in the future and where you can see them. See what happens when you get caught in the shadow of the Moon as the Sun plunges into a total solar eclipse. *\$5 adults | \$3 children.*

### "Mystery" Solar Show

Wed, Aug 16-Mon, Aug 25 | 12 and 4pm

Enjoy a special, two-week engagement of a brand new mystery total eclipse program in addition to TOTALITY. Enjoy these shows on a state-of-the-art, Ultra-High-Definition Sigma Projector. You have to see it to believe it!  
*\$5 adults | \$3 children*

### Pink Floyd Laser Extravaganza | \$7 all seats

Fri, Aug 18-Sat, Aug 19 | 5:30pm and 7pm

The sights and sounds of our vibrant laser shows will provide the perfect evening entertainment to compliment the solar eclipse. We see the "dark side of the moon" during the solar eclipse, so what better way to celebrate this event than with Pink Floyd's classic "Dark Side of the Moon"?

### Special Eclipse Star Party

Sat, Aug 19 | Starting at Dark 8:45pm

Join the West Kentucky Amateur Astronomers (WKAA) club as they enjoy a dark night under the stars with their telescopes. *Weather Dependent*

### Solar Viewing

Sun, Aug 20 and Mon, Aug 21 | 10am-4pm

Safely observe the Sun through telescopes with special solar filters with the WKAA. *Weather Dependent*

## Homeplace 1850s Working Farm

### Life by the Sun, Moon and Stars

Weekdays | 2-3pm

Farm families looked for signs from celestial bodies as guides for everyday life on an 1850 farm. Have a seat and learn about ancient folk beliefs used for everything from planting crops to getting a haircut. Learn about a different topic each day!

### Storytelling Evening at the Homeplace

Sat, Aug 19 | 6-7:30pm

As the summer day ends and the work is done, gather around the old maple tree and listen to ancient tales of a time long ago. Savor the taste of cold watermelon as a storyteller weaves tales of the sun, moon, stars and eclipses of a time gone by.  
*\$5 adults | \$3 children. | Doors open at 5:30pm*

### Sun and Moon Watermelon Social

Mon, Aug 21 | 10am-4pm

View the total solar eclipse at the Homeplace. Join us for a traditional picnic - bring your own picnic lunch and we'll provide watermelon, games and stories of solar eclipses of the past.

Enjoy some fresh watermelon at the Homeplace 1850s Working Farm!

## Woodlands Nature Station

### Daytime vs Nighttime Animals

Weekdays | 11:30am

Learn how their everyday lives are influenced by the moon and sun.

### Mornings with the Hummingbirds

Thurs, Aug. 17 and Tues, Aug. 22 | 10-11am  
Relax in our backyard while naturalists present amazing facts about these little birds as they fly around their feeders. Bring your camera!

### Sunset Canoe Trips

Fri, Aug 18 and  
Wed, Aug 23  
5:30-8pm

Join us for a relaxed paddle as we explore the nooks and crannies of one of Lake Barkley's scenic bays.

*Reservation and full deposit required.  
270.924.2020.  
\$25 per canoe  
NS admission not included.  
Space is limited.*

### Hummingbird Cafe

Sat, Aug 19 | 9-10am

Join us for coffee, juice and breakfast pastries while the hummingbirds have a feeding frenzy of their own! Plus, learn about "bird-friendly coffee" and how it benefits migratory birds. *Reservation and full deposit required.  
270.924.2020  
\$10 per person includes same day NS admission.*

### Snakes of Land Between the Lakes

Sun, Aug 20 | 11:30am-12pm

Learn to identify common snakes and why each of the species reacts to the sun and moon. Includes feeding time with the snakes at Nature Station.

## Be here for one of the greatest shows on Earth!

### Total Solar Eclipse | August 21, 2017
