What you will find

The eight parts below comprise the main elements of the Land Between The Lakes Land and Resource Management Plan documents. You will find that the “Land and Resource Management Plan,” acronym “LRMP,” and “Area Plan” are used interchangeably. We’ve formatted all documents into PDFs for easy download and printing.

[Area Supervisor Letter](#)

[Record of Decision](#)

This signed document renders the Forest Service's official decision and outlines the decision criteria for choosing the Selected Alternative.

[Summary](#)

This document highlights both the Final Environmental Impact Statement (FEIS) and the Land and Resource Management Plan.

[Land and Resource Management Plan \(Area Plan\)](#)

Land Between The Lakes program managers, project leaders and Area Supervisor use the Area Plan as a decision-making guide for all future land and resource management actions.

[Final Environmental Impact Statement \(FEIS\)](#)

This two-volume document contains analysis of the wide range of physical and biological characteristics of Land Between The Lakes. It also describes the direct, indirect and cumulative effects of the four Alternatives on the landscape in Chapter 3.

[Appendices to the FEIS](#)

This is Volume 2 of the FEIS. Volume 2 contains the detailed reports and analyses that support the findings and conclusions in the Final Environmental Impact Statement.

Maps-PDF

These maps detail the various aspects of the landscape, the land allocations and the recreation and environmental education uses of LBL across all four Alternatives, including the Selected Alternative Y.
