Woodlands Nature Station Presents "Once Upon a Time" Spring Break Week

Land Between the Lakes , Ky./Tenn. - March 26, 2018 - Your children's favorite stories are visiting the Woodlands Nature Station during their Once Upon a Time Spring Break, March 28 through April 8 at Land Between the Lakes National Recreation Area. Programs for all ages will be offered daily and included with general admission; Ages 13-and up \$5; Ages 5-12 \$3; Ages 4 and under free.

"Our 'Once Upon A Time' Spring Break programs combine kids' favorite stories with our wildlife here at the Nature Station," said Arriane Byrum, Naturalist at the Nature Station. "These programs offer fun for the whole family while providing valuable learning experiences too!"

Families will have a chance to learn about wildlife and nature through the lens of their favorite fairy tales and storybooks. Participants can learn about dragons, help the Nature Station animals live happily ever after, and even participate in our popular Hogwarts Family Day, where the illustrious school of wizardry comes to the Nature Station! Nature Station is open 10am-5pm, Wednesday through Sunday during March and November, and 7 days a week April through October.

Purchase an LBL Fun Card or Discount Package this spring for discounted general admissions to our day-use facilities; Woodlands Nature Station, Homeplace 1850's Working Farm, and Golden Pond Planetarium.

Check out the [Calendar of Events](#) to learn about programs happening throughout the year at Nature Station and across Land Between the Lakes. For more information call 270-924-2299. Follow Nature Station on Twitter @LBLNature.
