Land Between the Lakes Offering Virtual Services

Land Between the Lakes, Ky./Tenn. - March 20, 2020

Land Between the Lakes National Recreation Area is limiting in-person operations and implementing virtual services to protect the health and safety of employees and members of the public during the COVID-19 outbreak in accordance with guidance from federal and state authorities.

Customers needing information are encouraged to call (270) 883-1559 or (270) 883-1379 during regular business hours for prompt customer service.

“As we work through an unpredictable and rapidly changing situation, health and safety is our number one priority,” said Tina Tilley, area supervisor. “We are committed to continuing to support our communities and fulfill our mission as we all work together to minimize the impacts and spread of COVID-19.”

These actions have been taken based on the best available medical advice to limit gatherings of large numbers of people and to promote social distancing.

Please see a list of facility closures on the "Alerts" page on the Land Between the Lakes website: www.landbetweenthelakes.us/alerts-notice/

The health and safety of employees and the nearby communities is always our top priority at the USDA Forest Service. For the most current and accurate information, contact your local health officials or visit the Centers for Disease Control and Prevention website at www.cdc.gov.
