

Topic Name: Strategies and Action Items

Idea Title: Nature, Preservation & Safety

Idea Detail: 1. Exploring nature & protecting it.

2. Eliminating dangers such as open cistern & wells, dilapidated structures, old vehicles & other junk and anything else that could cause injury to those visiting the area.

3. Keep the roads & trails to the cemeteries in good repair for those of us who have family resting in LBL.

4. Try to curb vandalizing to cemeteries, fields, roads, etc as much as humanly possible.

Idea Title: Reopen Rushing Creek Campground as a Basic campground

Idea Detail: Or a Self Service campground.....Would be OK with paying a fee. Need a good place

to camp near the KY-TN state line. I know Wranglers campground is there but it does not meet my needs. Our group is more into hunting and fishing.
