Dear Wranglers Campers:

We hope you enjoyed your camping experiences this year at Land Between the Lakes. It is time to begin the process for the seasonal camping program for 2023. For your convenience, an application listing the available sites and rates in Wranglers Campground is enclosed. Applications are limited to one per individual and/or household.

If you are interested in applying for a seasonal site, please complete the application and return it to the address listed on the application along with the required documentation no later than January 20, 2023. PLEASE NOTE: The selection process will be completely virtual. After we receive your application, we will mail and email detailed information for the drawing.

The selection process will be a true lottery. Applicants will receive a number before the drawing and, as their number is drawn, they will choose from the available sites. Applications for nine-month sites will be drawn first. After all nine-month applicants have been drawn, eight-month applicants will be drawn, then seven, six, etc. until no sites or applicants remain. This selection process will be completely virtual and will be held on **January 28, 2023, at 12:30 p.m.**

Proof of ownership of an applicant's camping unit shall be in the form of a photocopy of title or registration. **Proof of ownership must accompany the application to participate in the selection process.**

The lottery will be held on Saturday, January 28, 2023, to accommodate all interested parties. Site selection is the responsibility of the applicant. Once an applicant has been drawn, a maximum of three minutes will be allowed for the applicant to call in and select from available sites.

Once a site has been selected, payment will be required immediately in the form of credit card (Visa, MasterCard, or Discover). **Payment will only be accepted in the form of a credit card. Personal checks, cashier's checks, or money orders will not be accepted.** If you will be paying by debit card, be sure to notify your bank ahead of time so the transaction will not be declined.

Confirmed applicants will be mailed a permit for signature. Signed permit will be required to be returned no later than February 24, 2023.

If you have any questions about the process, please call Matt Burnett at (270) 924-2036 or (270) 924-2201. We appreciate your support for Land Between the Lakes and hope you will consider a seasonal camping experience at Wranglers Campground this season.

Sincerely,

X
