\* Measurements are estimated and does not include rear overhang.

\*\* Measurement does not include estimated Max RV Length.

- All equipment will be required to be set up and remain on the prepared gravel site within the boundaries of the cross-ties.
  - Including: Firewood stacks, bicycle racks, boats and trailers, awnings, signs, parking of vehicles/motorcycles, bird feeders, tiki torches, etc.
  - Satellite dishes will be allowed to be set up off of gravel impact pad within reason. Dish cannot be installed "in ground". (Stake down wires as mowers will not avoid wires on the ground.) Satellite dish wires cannot be hung in trees or ran across roadways.
- Sites are "as is". Fire rings will not be moved, trees will not be cut, site pad and driveway cannot be enlarged, and concrete picnic tables will not be moved.

It is your responsibility to ensure your camping unit will fit on the site you choose.
