A11	E,W, & S	40	36	No	30 AMP

* Measurements are estimated and does not include rear overhang.

** Measurement does not include estimated Max RV Length.

- All equipment will be required to be set up and remain on the prepared gravel site within the boundaries of the crossties.
 - Including: Firewood stacks, bicycle racks, boats and trailers, awnings, signs, parking of vehicles/motorcycles, bird feeders, tiki torches, etc.
 - Satellite dishes will be allowed to be set up off of gravel impact pad within reason. Dish cannot be installed “in-ground”. (Stake down wires as mowers will not avoid wires on the ground.) Satellite dish wires cannot be hung in trees or ran across roadways.
- Sites are “as is”. Fire rings will not be moved, trees will not be cut, site pad and driveway cannot be enlarged, and concrete picnic tables will not be moved.
- It is your responsibility to ensure your camping unit will fit on the site you choose.
